Dear Mr. Brown,

05/30/2003

I wanted to thank you for your continued assistance. It was most helpful. For the purpose of making sure I have responded correctly, please be aware of two items of concern:

- 1) In your DETAILED ACTIONS you mention that my Application/Control Number is 09/988/781 and in Form PTO-90C dated 03/03/2003 the Application No. shows as 09/988/481.
- 2) In your Office Action dated 03/03/2003 in *Specification* you require I cancel "heat or elastic heat". I understood that you were requesting I cancel "heat or an elastic adhesive". If I am mistaken kindly notify me and I will correct.

Most respectfully,

Dear Mr. Brown,

I have enclosed all documents and I trust you will find everything is in order per our telephone conversation. I would like to request of you constructional assistance with my pending application number 09/988,781. I want to convey to you my deepest and most sincere appreciation for all your hard work and time in regards to my application. I know you are a very busy man, as well as all the others who work at the patent office, however you have been a tremendous help to me in my pursuit of this patent, and I just wanted to "Thank-you" for all your long hours and hard work. This is truly a blessing for me and I know I am not at the end of the road yet, but I believe through faith, this will be the end of a long awaited dream.

Once again, "Thank-you", Mr. Brown for your time, patience and endurance in my endeavor to make my dream a reality and I look forward to hearing from you soon.

Sincerely,  
Dessa O. Clinton
